PREP TIME: 10 mins | COOKING TIME: 30 mins

Place a large pot or saucepan over high heat. Ps. you want it large enough that you can finish the pasta together in one pot.

Then, heat a drizzle of olive oil and add the mince. Cook until excess liquid has evaporated and meat gets a little golden brown. Remove meat with a slotted spoon and set aside.

In the same pan, add onion, celery and garlic. Cook, stirring regularly until soft. Then add the mince back into the pan and season everything with the **Cape Herb & Spice Moroccan Spice** and cook until fragrant.

Next up add the beef stock and tomato passata. Bring to a boil, then reduce heat to a simmer. Simmer until sauce has thickened. Meanwhile, cook pasta in salted boiling water according to packet instructions. Keep pasta very al dente as it will finish cooking in the sauce. Drain.

Add pasta, parmesan and fresh mint to the pot of sauce and combine. Divide between bowls, and top with extra parmesan and serve.
